RETURN SERVICE REQUESTED

Greetings from the East

Brethren and Friends,

Thank you to all who came out in March to our Ladies Appreciation Dinner on the 23rd. It was a nice time with good food and fellowship to be had by all.

I am especially looking forward to Saturday, March 30th as it will be our annual Easter Egg hunt at Washoe 35. It's a great time to get the kids or grandkids out to get a picture with the Easter bunny and enjoy some fun! We are also having a Steak and Shrimp Fry on Saturday, April 20th starting at 5:30. The cost will be \$25 per person. Please RSVP to our secretary Ron Vick at (775) 240-4437 if you would like to attend. We are also having an Open House on Wednesday, April 24th. We encourage anyone to attend who are interested in learning more about masonry. So if you have a friend or family member who is just generally curious about what we do, please invite them! We will have pizza and beverages. Looking forward to an eventful month, and I hope to see you all at the stated meeting dinner!

Fraternally, Rich Jolly, WM

Tidings from the West

Brethren...April is upon us! Once again, we have emerged victorious from the darkness and are traveling closer to the sun. Another season of growth and regeneration is upon us. The cold is fading away, trees are turning greener, and flowers are blooming. The opening symphony of birds during the day and frogs and crickets at night can now be heard in this part of the woods. It is against nature not to change. Change is the main signature of nature, and every year it serves as a reminder that sometimes we forget to follow in our personal lives. As our Brother Darwin, who became a Mason at Canongate Kilwinning Lodge No 2 in Scotland after moving to Derby, England, in 1788, said, "It is not the most intellectual of the species that survives; it is not the strongest that survives; but the species that survives is the one that is able to best adapt and adjust to the changing environment in which it finds itself."

As men and Masons, we live in a time of rapid change. For the ancient fraternity of Masonry to survive, it is also necessary that we as Masons individually and as a Lodge must also accept change to adapt to changing times, while still preserving our ancient ritual and traditions. So accepting and adapting to change should and must be one of our Lodge's fundamental precepts as we move forward into changing times. Yes there certainly will be growing pains, but nothing that we as Brothers cannot overcome if we communicate, work together and stay true to the commitments we each made in our respective Degrees.

Sincerely and Fraternaly, Glen Daily, SW

Mason of the Month

By Jerry Blanton, PM

Miles Gilbert (Tim) Horton

It's close to NHL playoffs, so my Mason of the Month is Tim Horton, who played 20 seasons for the Toronto Maple Leafs. He was with the Leafs for 4 Stanley Cups, and was voted to the NHL's 1st All Star Team 3 times. In 1964, Horton opened his 1st "Tim Horton Doughnut Shop" in Hamilton, Ontario, which is now a multi-million dollar coffee chain.

Horton was a member of Kary Lodge #676 in Toronto, Ontario.
