RETURN SERVICE REQUESTED

Greetings from the East

Brethren and Friends,

I hope everyone has been enjoying the beautiful Northern Nevada weather that we have been experiencing. I am looking forward to seeing you all at the stated meeting in May. It will be Hawaiian Shirt night so please dress casual. It will also be our Cinco de Mayo dinner! We had so many things going on in April and we have some things to look forward to for May.

On Saturday May 18th, the Grand Lecturer's Workshop will be taking place at Washoe 35 starting at 8:30 and will go until Noon. I strongly suggest that all involved or interested in Masonic leadership (Lodge Officers) should attend this as it will be very informative.

Also we are planning a first degree on May 22nd at 7:00 p.m.

Fraternally, Rich Jolly, WM

Tidings from the West

Brethren...May is upon us! Here in Nevada, May is typically the month after we've seen the last gasps of winter in April snowstorms, that spring is finally here to stay! Along with it brings spring cleaning, yard and lawn work, beautiful weather to reconnect with the outdoors, and recommencing the outdoor activities of spring/summer such as outdoor BBQ's, baseball and softball, etc. In May we observe special days: May 1st Star Wars Day "May The Force Be With You!"; May 5th Cinco de Mayo; May 14 Mother's Day; May 19 NASCAR Day; May 20 Armed Forces Day; and May 29 Memorial Day. In nature May takes us into a time of renewal, as plants dormant during the winter begin another growth cycle, and animals mate to recommence their reproductive cycles. Let May also be a time for renewal of friendships and brotherhood within our Lodge, especially with those who perhaps have not been able to be at Lodge for a while over the winter months. I look forward to seeing you at our May stated meeting on May 1st, and "May The Force Be With You" And Washoe Lodge 35 as we move into the longer days and beautiful weather of spring and summer!

Sincerely and Fraternaly, Glen Daily, SW

Salutations from the South

Greetings Brothers,

I am looking forward to May as we prepare for a First Degree and Brother Sorensen's Cinco de Mayo feast! Last years was fantastic an I am sure this one will be even better. I do hope you can join us for the stated meeting.

Brother Dana Nollsch has been working hard at the website. All of the extra photos from our events that don't make the Trestleboard will be on there. We are also digitizing and building up the Lodge's historical documents, photos, and other info on the website. The first piece is the 50th anniversary booklet that was scanned in and is available for viewing. Be sure to check it out at: www.washoe35.org and click the History tab.

As we add to the site and prepare for our 100th anniversary in 2026, please reach out if you have any old photos or history of the Lodge and/or it's Past Masters. You can contact me by email or phone. Info is on the last page.

Yours fraternally, Chad Clarno, JW

Mason of the Month

By Jerry Blanton, PM

Arnold Palmer

April is the time of the year for Golf's "The Masters". Therefore, this month's Mason is Arnold Palmer, 33 Deg, who has been called "King of Golf". Palmer is often credited with popularizing the game with Jack Nicklaus and Gary Player. He's in the Golf Hall of Fame with 94 pro wins. Outside of golf, Palmer established his charitable foundation, "Arnie's Army". He was a member of Loyalhanna Lodge #275 in Latrobe, PA.

AVE ATQUE VALE

Allan "Skip" Pounds

We are saddened to announce the passing of our beloved brother, Allan "Skip" Pounds, Past Master of Washoe Lodge #35, who laid down the working tools on April 7, 2024. Skip was Master of this Lodge in 2010. He was preceded in Death by his beloved wife Sandy, who passed only a few short weeks earlier. Per the family's request, there will not be a Masonic service. Please contact the Secretary, Bro. Ron Vick if you have any questions.

The roll of the workmen has been called; and one Master has not answered to his name. He has laid down the working tools of the Craft, and with them he has left that mortal part for which he has no longer use.
